**Approximate Project Value**  
£12 million as a total refurb programme

**Appleyard & Trew's Role**  
Quantity Surveyor and Project Manager

**Procurement and Contract**  
Framework; JCT Design and Build

# EAT.

## NATIONWIDE SHOP REFURBISHMENT PROGRAMME

Appleyard & Trew provided Quantity Surveying and Project Management services on EAT's multi-million pound shop refurbishment programme.

Before the programme commenced, a new national Main Contractor Shopfitting Framework was set up by Appleyard & Trew for EAT. This enabled EAT to refurbish the majority of their estate in under 18 months; circa 100 shops introducing a new design concept in the process.

Our role included the programming of refurbishments, the allocation of Main Contractors, formation of initial designs and approval and managing the site fit out and final accounts.

## SOME REFURBISHMENT SITES INCLUDE:

- London Heathrow T2 and T5
- Edinburgh Airport
- Various locations within the City of London
- Liverpool
- Birmingham
- Canterbury
- Royal Festival Hall
- Canary Wharf
- Bluewater Shopping Centre
- Arndale Centre, Manchester
